## Safeguarding

- 1) Please make sure if you are collecting children or indeed dropping off via the Staff Car park, that you use the gate to the side of the hall, into the playground and do not use the gate through Rainbow Outside area. Thank you for your consideration.
- 2) Please ensure that when children are walking up to school, they are staying safe. We had a near miss on Thursday this week, where a child was seen by a parent stepping out into the road, in front of a car.
- 3) **Next Tuesday** is Safer Internet Day. Please take this opportunity to talk to your children about staying safe online and perhaps review any security / filtering systems in place on Pcs and tablets at home. In school, each class will be discussing keeping safe when using computers and tablets.

## THE SOUND OF MUSIC

Pre School and Rainbow Class have been enjoying music sessions with Alison Houlbrooke; working on enjoying songs and rhymes and building a sense of rhythm. They have a few more sessions after half term too.

## SPORTS ACTIVITY DAY AT JOHN KYRLE HIGH SCHOOL

Last week, a group of Year 5 and Year 6 children went on a trip to John Kyrle for a sports activity day. Four schools took part. We did a lot of activities; for example there was the obstacle race, javelin, standing long jump and relay races. Everyone tried extremely hard, showed lots of determination and supported each other. We had lots of fun and enjoyed it very much. By Tegen and Imogen - Oak Class
