PROJECT POND

We are doing lots of interesting things in outdoor learning this term. The children have been clearing space in the raised beds to plant the different vegetables that are growing from seed. There is a lot of nettle root clearance going on to make room for a wild flower area and after half term we are hoping to recreate the pond area in the Quiet Garden. The children are all so enthusiastic and would spend all day digging, cutting, watering and watching mini beasts and birds but we need your help to enable us to move on. We are hoping to get a working party together to hand clear the Quiet Garden and if anyone has any knowledge of building ponds and could give a couple of hours, either working with the children or at a time to suit you, please have a chat with Suzie Williams. We also need things like old carpets, a pond liner and aquatic plants to get us started. Any help or advice you can offer will be gratefully received. There is a bigger list of bits and pieces on the back of the Outdoor Learning letter.

29th May – 2nd June
Half term Holiday

Year 6 SATS

SATS tests will be taking place every morning in school next week and we are so proud of how hard the children have been working to ensure that they are ready to give of their best. Well done everyone!

Over the weekend, we suggest that children get as much rest as possible so that they are refreshed and ready for the tests; they will take place each morning from Monday and the last one will be on Thursday. It goes without saying that children will need to have an early night every day next week, as well as start each day with a big breakfast! Thank you 😊

Year 2 SATS

We have been doing some low key practice in class and the children will be taking their proper tests from 18th – 25th May. Please ensure that the children get plenty of sleep and have a good breakfast before coming to school.

Thank you for your continued support.

Quicksticks Hockey

Some of our Year 5 and Year 6 children from Oak and Rowan classes took part in a very successful Quicksticks Hockey tournament at John Kyrle High School. The children played well and showed excellent sportsmanship. A number of goals were scored!

Whitemoor Lakes Residential Trip

It is not long before Year 6 and Year 5 pupils go on their residential trip and they are starting to get excited! If you still have payments to make, please bring them into the school office by next week at the latest. Thank you.

Rainbow Class

Rainbow Class will be enjoying a walk to Hopes Ash Farm next Friday. They will be visiting the apple orchard and having a picnic.

We are hoping for a little bit of sunshine!

DOG CHEW COMPETITION

COMING SOON!

9TH to 19TH JUNE

SAVE THE DATE!

LEA VILLAGE FETE – Saturday 8th July

11 am – 4 pm

Find Lea Village Fete on Facebook for more information and updates
