Lea Village Fete

What a wonderful day! We had sun, entertainment, food, plenty of people and most importantly, we made lots of money for the school and our local community.

Thank you for your support and help. We would also like to thank the Lea Village Fete Committee for all their hard work and commitment in making the fete such a fantastic event.

September Changes

Please note that from September parents will be able to leave their children in the playground from 8.40am, where they will be supervised by members of staff. There will also be a member of the senior management team on the gate to ensure children are kept safe in the school grounds. If it rains, the children will be able to enter their classrooms from 8.40am to be supervised by the class teachers. The bell will still be rung at 8.55am and we expect all children to be in school by this time to enter the school with their class. Thank you for your support with this.

Internet Safety

Does your child have Facebook? It has come to our attention that children at Lea School have Facebook accounts (some have more than one account) and some give too much information (e.g. where they live) and have inappropriate images on their accounts. These accounts are obviously very public for all to see. We want to keep our children safe - please can you ensure that your child is safe online. Thank you.

Please note these regulations for the use of Facebook

- You will not create more than one personal account
- You will not use Facebook if you are under 13

ParentPay is happening soon

Cashless online payments to school

More information to follow in September

Thank You

Our staff and governors would like to thank all the parents, carers and children for their support during this school year. The Year 6 leaver's service was delightful and the children spoke so well about their fondest memories. Each child received a Bible, donated by the Church and presented by Father David. We wish all the Year 6 pupils every success in their new schools and beyond; we will really miss you. We are very proud of all our children's hard work this year and wish you all a lovely summer break and look forward to seeing the children back on Tuesday 5th September.
